# TESTAMONIALS

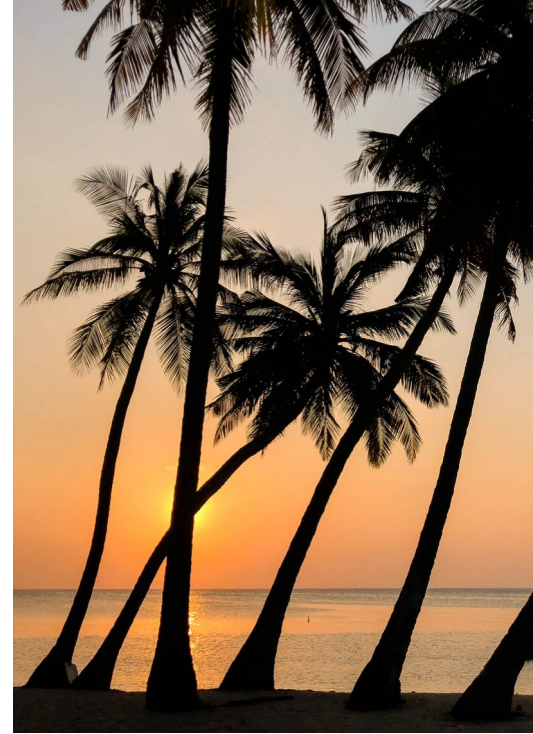

"I had the most amazing time with Chix Surf School & Indulge Maldives. I was blown out of the water by how much fun the group had & with all we experienced! The surfing was amazing - in the clearest waters with the best surf coach going around, Gee Cormack and Kristie was an incredible retreat host. The group of women that I got to spend 2 weeks with was the biggest surprise - lifetime friends have been made! Thank you Kristie and Gee I will be definitely be going again next year! Thank you also goes to Hupa who took amazing photos and videos of us surfing each day."

"I loved every moment! I feel very privileged and proud to be a part of this surf program. We had such a great group of female surfers, with two awesome, encouraging and inspiring coaches. It was my first overseas trip and will not be my last. I really loved the way Gee handled each surfer, individualising our experience & giving feedback. There was the right amount of push & gentle nudge and I always felt I was in safe hands. The video analysis sessions were very effective in focusing on what skills and improvements each of us needed to make. I would like to be a part of Chix Surf School Program again!"
